What's New?

Afternoon journeys have been retimed and spaced out in an attempt to make them more reliable.

Service 22 operates the former U2 route running a loop from Englishcombe Lane via Coronation Avenue, Lymore Avenue, Shophouse Road, Twerton High Street, Watery Lane, Poolemead Road, Wedgwood Road, Whiteway Circle and Mount Road.

The service is operated by Abus with support from the West of England Combined Authority. This replaces the service previously provided by First.

Service 22 is operated under contract to the West of England Combined Authority. The 1830 journey from the University is provided with support from the University of Bath
