

Service RA4 to Ralph Allen School

via Lower Weston, Oldfield Park, Twerton, Whiteway, Southdown and Odd Down

Revised service from September 2017:

As the result of the withdrawal of funding for services RA3 and RA4 by Bath and North East Somerset Council, we have made changes in order to make the service more sustainable in the longer term. Existing services RA3 and RA4 will be merged in to one route, operating as RA4. A route map and timetable are shown below.

Fares:

- The service will operate a flat fare of £2 single or £4 day return for any journey.
- A sQuid smart card discount of 10% will apply to return tickets only.
- Please note we do not accept BathRider, AvonRider or any tickets issued by other bus companies.

Capacity:

As we are combining two bus routes in to one, we are expecting the service to be busy. There will also be a small number of students who are entitled to free travel as administered by Bath and North East Somerset Council. As a result, we have to put the following restrictions in place: In the mornings, capacity will be provided for all B&NES passholders. If there is not sufficient space, subsequent passengers will be refused travel. In the afternoons, passholders and return ticket holders will be allowed to board first, followed by those purchasing single tickets, subject to available capacity.

Route changes:

The Hollow will no longer be served – please catch the bus at either Mount Road or Lymore Avenue. At Foxhill, the bus will no longer serve Hawthorn Grove, but instead run along Bradford Road.
